My Portfolio:
https://maxthemilian52.github.io/real-react-portfolio/

Seeking an entry level position as a Full Stack Web Developer. Background education in Health Sciences and Nursing, with a dedication to continuous learning. Passionate about teamwork, developing creative solutions to problems, and designing user-friendly applications. Reputation for always applying 100% of effort towards completing quality projects within schedule.

ADDITIONAL EXPERIENCE

Hocking Hills Tiny Houses, Rockbridge, OH

2019-Present

Currently working alongside my family to build, maintain, market, and book tiny homes on wheels in the Hocking Hills.

Riverside Methodist Hospital, Olentangy River Road, Columbus, OH — STNA

2/1/2021 - 2/1/2022

Worked on the oncology/palliative care team alongside nurses and other nurse aides to deliver care to patients undergoing in-patient chemotherapy and patients in hospice.

Papa John's, N. High Street, Columbus, OH —Delivery Driver

9/1/2020 - 1/20/2021

Worked as a Papa John's pizza delivery driver as well as insider work making and cutting pizzas as required.

D.A. Rober's Flooring, Logan, OH — *Laborer*

Summers 2015-2020

Worked to install and refinish hardwood floors. Worked from 5:30 A.M. to 6:30 P.M. five days a week. A very labor-intensive, hard-working job.

Hocking Hills Minigolf, Rockbridge, OH — *Manager*

Summers 2012 - 2015

Worked as manager to ensure that employees were assigned to the schedule and showed up for their shifts.
